

## Introducing the Many Point Magic Studios

a special opportunity for Older Scouts and Venturers at Many Point Scout Camp. This program is a unique advancement opportunity, featuring Cinematography, Photography, Radio and Journalism merit badges, and takes the place of the typical morning advancement time run in all three sub-camps.

Magic Studios members will have an all-access press pass to capture the Many Point story—see the inside of the climbing tower to get that perfect video from the top! Images, videos and stories created by Press Corps members will be used to create a weekly Many Point newspaper, content for Facebook, YouTube, and more.

Sign up on the Advancement Planning Sheet!
